COMPANY PROFILE

*We Provide Professionalism and
Precision Service with Quality Product*

ABOUT US

Diesel Truck Sdn Bhd - Your Trusted Truck Solutions Partner

Diesel Truck Sdn Bhd is a one-stop solution provider specialising in lorry and truck repairs, maintenance, servicing, and the supply of spare parts.

Established in 2008 as a spare parts distribution business, our company has strived to attain market leadership by dedicating ourselves to providing quality, reliable auto parts at competitive prices. Our continuous efforts in streamlining operations have played a pivotal role and enabled us to nurture a loyal customer base across retail and wholesale sectors in Johor, Kuala Lumpur, Sabah, Sarawak, Singapore, and beyond.

Leveraging our ample stock of spare parts, we have strategically expanded our business to include workshop service. Our workshop is fully equipped with a comprehensive suite of facilities capable of handling a wide range of truck models. With the latest computer-aided diagnostic devices at our disposal, we specialise in servicing European prime movers compliant with Euro 4, 5, and 6 standards, particularly focusing on Scania and Volvo trucks.

Ensuring reliable service, our experienced technical personnel utilise top-quality spare parts from renowned brands, including UFI, Sustech, 55 Star, and Pega, for which we are distributors. This commitment to excellence not only minimises downtime but also reduces the risk of breakdowns, providing our clients with peace of mind.

Our workshop clients include industry leaders such as the TTK Group, MGS Group, and more. The trust they place in our services is a testament to our dedication to excellence in the field. As we move forward, our dedication remains steadfast in expanding our offerings to support customer growth, continually evolving alongside customer needs, and ensuring the provision of reliable parts and services.

Diesel Truck Sdn Bhd is now headquartered in Kempas, Johor, with strategically located branches in Ayer Hitam and Singapore.

VISION

To be a global leading quality service commercial vehicle parts & service provider.

MISSION

Improve fleet's sustainability with our spare parts chain and dynamic maintenance system (DTGS).

CORE VALUE

We provide professionalism and precision service with quality products.

***Your safety and reliability are our priority;
customer satisfaction is our goal.***

COMPANY RECOGNITION & AWARD

Recognised for our service excellence, we are grateful to be appointed as the distributors for several notable brands, including UFI, Sustech, 55 Star, and Pega.

In 2021, we have attained the esteemed Lang International Corporate Titan Awards (LICTA), emphasising our unwavering commitment to innovation.

CORE COMPETENCY

Direct Importer

We directly source spare parts, guaranteeing authenticity and swift availability by eliminating intermediaries in the supply chain.

Competitive Price

Enjoy cost-effective solutions without compromising quality. Our commitment to competitive pricing makes us your go-to for budget-conscious truck maintenance.

Specialisation in the Industry

We distinguish ourselves with high-quality spare parts and cutting-edge diagnostic devices to serve European prime movers compliant with Euro 4, 5, and 6 Standards, particularly Scania and Volvo trucks.

OUR SERVICES

Spare Parts Distribution

At Diesel Truck Sdn Bhd, we pride ourselves on being the foremost destination for premium European truck spare parts. Our inventory spans a comprehensive selection, encompassing top-notch engine components, body parts, electrical elements, wheels, as well as suspension and brake systems. With a commitment to quality, we ensure that our spare parts meet the highest standards, providing reliability and durability for your trucks.

Diesel Truck Sdn Bhd proudly serves as a distributor for esteemed brands such as UFI, Sustech, 55 Star, and Pega. Trust us as your reliable partner in sourcing the finest spare parts to keep your European trucks running smoothly and efficiently.

Truck Maintenance and Inspection

Ensuring peak performance and safety, our truck maintenance and inspection service ensures thorough checks and timely upkeep. Our technicians meticulously examine every component conducting detailed diagnostics from engine health to brake efficiency. Depending on each truck's specific needs, our maintenance service encompasses routine oil changes, tyre rotations, and other essential tasks to ensure the longevity of the trucks.

Regular maintenance and inspection services play a crucial role in enhancing the reliability of your fleet. Trust us to uphold the integrity of your vehicles, ensuring they remain roadworthy, compliant with industry standards, and consistently deliver peak performance.

Truck Repair

In moments of mechanical distress, our truck repair service stands ready to swiftly address any issue. Our proficient team comprises skilled technicians with extensive experience and expertise. They excel in diagnosing and rectifying problems, from intricate engine malfunctions to challenging transmission issues and complex electrical problems. To minimise downtime, our workshop is equipped with the latest diagnostic tools and equipment, enabling us to efficiently and swiftly restore your trucks to optimal working conditions.

At Diesel Truck Sdn Bhd, our commitment extends beyond mere fixes; it's about delivering efficient and precise solutions to keep your fleet operating at its peak performance.

OUR SERVICES

Truck Overhaul and Rebuild

We offer an overhaul and rebuild service for trucks in need of comprehensive restoration. Our skilled technicians are trained to dismantle, inspect, and reconstruct trucks from the ground up. Our service includes engine overhauls, transmission rebuilds, and suspension repairs. Our meticulous approach is supported by advanced technology and quality workmanship, ensuring that your truck returns to you with enhanced performance, efficiency, and reliability.

Get the most value out of your truck - we are here to help you enhance your truck's performance and longevity.

24/7 Emergency Roadside Assistance

Truck-related issues can occur at any time, often when you least expect them. That's why we are here to provide 24/7 emergency roadside assistance to our valued customers. Our dedicated technicians, equipped with fully stocked service trucks, stand ready to offer on-site repairs and assistance for common truck problems. Whether it's a breakdown, a flat tire, or any other unexpected issue, our prompt and reliable emergency services ensure that your trucks get back on the road swiftly, minimising disruptions to your operations.

Count on Diesel Truck Sdn Bhd to be your reliable partner, offering dependable 24/7 support to keep your trucks moving, covering areas from Malacca to the southern regions in Johor.

OUR MILESTONES

2008

Diesel Truck Sdn Bhd is established as a spare parts distributor by Jerry Teoh.

2009

Chan Jian Wei joined as a co-partner, strengthening the leadership team.

2011

Diesel Truck set up a specialised workshop to provide a comprehensive one-stop service for customers, specialising in European prime movers, particularly Scania and Volvo Trucks.

2012

The company expanded its services by introducing a 40-footer transportation service, facilitating the movement of products across Malaysia and enhancing its logistics capabilities.

2015

Established Truck Solution Pte Ltd in Singapore, a distribution centre marking regional expansion, enabling wholesale business with direct manufacturer purchases for competitive pricing and quality.

Achieved ISO 9001:2015 QMS certification, showcasing a commitment to quality and customer service.

2017

Moved to current site at Taman Kempas Utama.

2019

Established a distribution centre in Ayer Hitam, Johor, to better serve customers in the region, offering a wide range of spare parts and ensuring fast and effective customer service.

2023

Diesel Truck is now a network of 25 outlets, aiming to upgrade to 35 outlets in the future.
