ABOUT US

SsengStudio is an art studio established since 2018 in Singapore & Malaysia.

We specialized in fields of Design and Build project management, handling a network of artists, painters, sculptors, ironworkers and carpenters to fabricate the product of special for Our Clients. Our main focus is Design and Build Customized Products; and we also provided Thematic Concept and Design service for every market.

Our company's objective is to provide our clients with a full suite of products and services to help them stay competitive in today's market. Our winning edge over our competitors is in our diversified range of products, with an attitude that "nothing is impossible". We place great commitment in delivering our expertise in a cost-effective way. We believe that creativity is limited only by your imagination, and so our goal is to deliver your idea into reality and making your dreams come true.
