MSM International Adjusters (Malaysia) Sdn Bhd

PROFESSIONAL LOSS ADJUSTING

What does a Loss Adjuster do?

When a serious insured event happens, insurers appoint loss adjusters to investigate the facts and assess the claim independently.

01 — Investigate the cause of loss

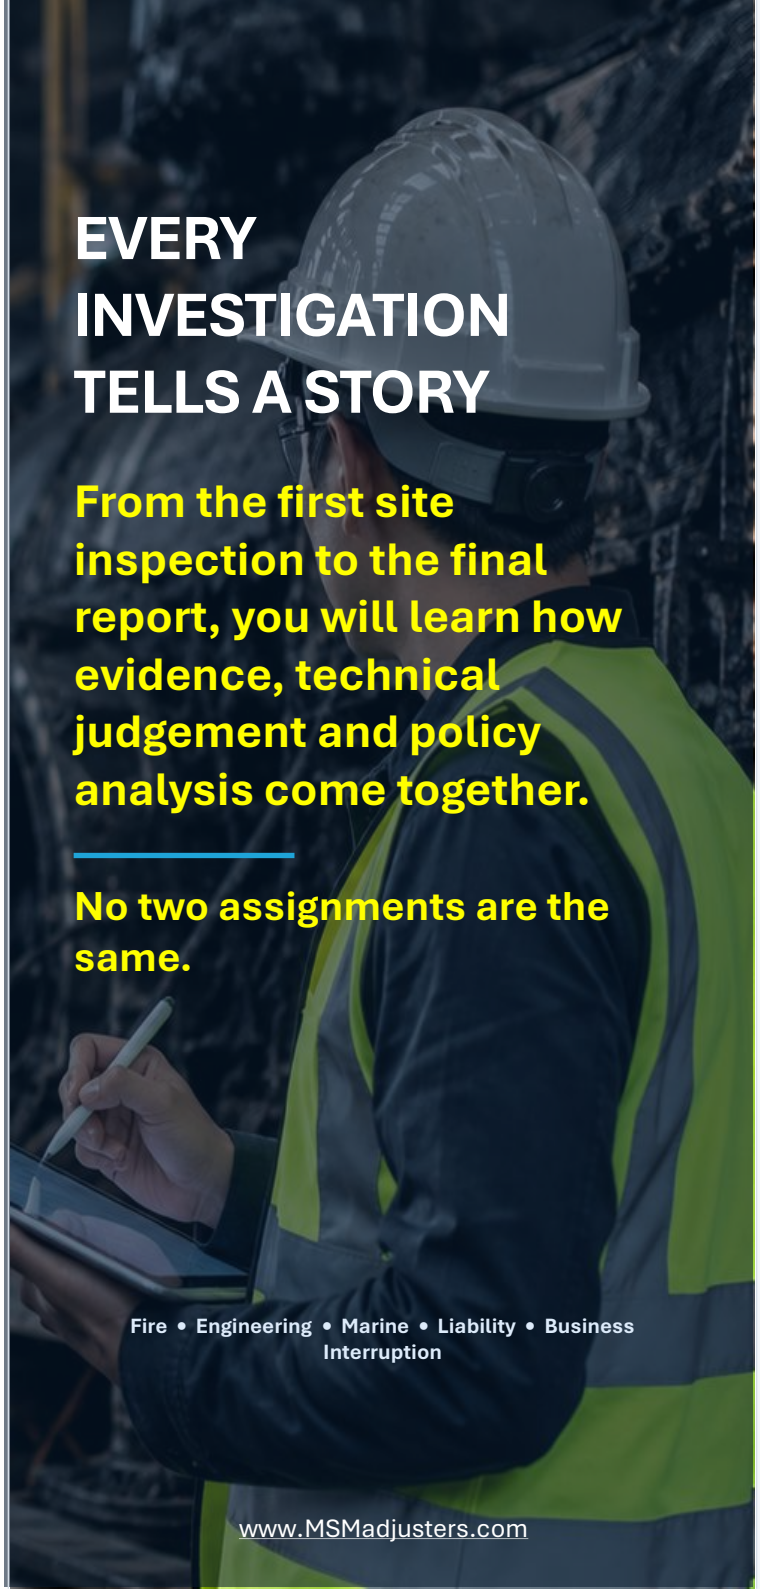
02 — Inspect damaged property, machinery and stock

03 — Interview policyholders, witnesses and contractors

04 — Review insurance policies and supporting documents

05 — Assess quantum and recommend fair settlements

You become an investigator, analyst and trusted professional.



GRADUATE DEVELOPMENT PROGRAMME

Your development journey

Our trainees learn through structured on-the-job exposure under experienced adjusters.

Graduate Trainee → Loss Adjuster → Senior Adjuster → Manager

WHO SHOULD APPLY?

Engineering • Quantity Surveying • Building Technology • Computer Science • Artificial Intelligence • Data Science • Accounting • Finance • Business

DIGITAL EXPOSURE

Mobile inspection tools • Digital / Drone photography • AI-enabled workflow

Build a career where technical curiosity meets real-world problem solving.
